

JAMAICA ENCOURAGEMENT TEAM

WISH LIST 2012

The following items are typical of those we take to Jamaica in order to bless those folk with a touch of the abundance of God's blessings. If you can help with some of these things, the blessing will come to YOU and to the Jamaican people we reach.

We take these items: (All used items need to be in 'gently used' condition)

- .Used clothing (For women, avoid shorts, slacks, sleeveless, sweaters & sweats; for all, watch the slogans on T-shirts, avoid xxl sizes and larger; anything for kids is good; we take scrubs, m-xl)
- .Used shoes (wide widths are more useful; flip-flops are good)
- .Used twin size sheets (adult or children's designs), used towels
- .Used small toys (beanie babies, Hot wheel cars, balls, etc)
- .Used toys (like Frisbees, small educational toys for preschool)
- .Medical/health supplies—aspirin, *sinus/allergy* meds, band aids/bandages, Neosporin-type ointment, cough/congestion medicine (for adults or children)
- .School supplies—(Watch those pre-school sales & Dollar Stores) Pencils, scissors, erasers, crayons, etc. Construction paper is good. Probably not notebook paper, spiral notebooks, etc.—It's a weight issue!)
