AIR SCHEDULES: We highly recommend flying into London (LHR) at least one day prior to the cruise so you don't miss the ship. Flying in on the day of departure requires an arrival time no later than 1PM (or 4 hours prior to ship sailing time). And on the return, flights must depart at least 6 hours after ship arrival so no earlier than 12 Noon. We recommend if you fly on either depart or return sailing day to allow an even greater "cushion" as delays can happen with the airline and the ship.

DINING/ SPECIAL REQUESTS / CABINS: Specialty dining reservations may be made in advance on the website 60 days prior to sailing. Cabins are assigned as best available at the time of booking. If you need assistance boarding the ship, use a CPAP, have special dietary requirements, please let us know at the time of booking.

Fuel Surcharge: NCL reserves the right to reinstate a fuel supplement for all passengers at up to USD \$9 per person per day if the New York Mercantile Exchange Index oil price exceeds \$70 per barrel.

THE TERMS AND CONDITIONS OF THE NCL CONTRACT OF CARRIAGE APPLY:
